

ASH U3A Science & Technology Group

Notice;

The 6th Meeting of the 23/24 Season is on Friday 2nd February

Time: 10.00am until 11.30am

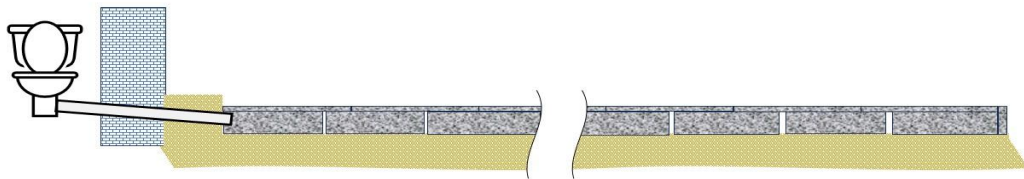

St Peters Centre, Ash Church Road

(opposite St Peters Church, the small hall, parking on site)

Trench Arch Drainage Systems for churches

This presentation will describe the various options for such a scheme and gives a detailed description of the chosen solution, i.e. a trench arch sewer system.

This will be followed by a look at the principal actors involved in processing the waste material i.e. Worms and fungi!

A Presentation by Bill Stone and Charles Stokes
